

# The Leader in Me

## Inspiring Greatness, One Child at a Time

Thank you for considering a contribution that will help continue the FranklinCovey Leader in Me program at Allen Elementary and get it started at Worthington Elementary in Chillicothe for the 2011-2012 school year. Please use this form or a copy of it to submit your check.

Your contribution will make it possible for the teachers and staff to incorporate the "7 Habits of Highly Effective People" to help the approximately 600 students in the schools to develop into future highly effective workers and managers.

- In addition to helping train your future employees and managers, other benefits of your contribution include:
- Recognition on the chamber's website, newsletter and at appropriate chamber functions, such as the Annual Dinner.
- You will receive special contributor-only periodic updates on progress being made at the school.
- The schools will ensure you are recognized in appropriate ways with signage and a mention at school events.

The Leader in Me program has the potential to transform the culture of our community into one where our children grow to love learning and have the skills to succeed in all of life's endeavors. Thank you again.
